The Dynamics of Disaffiliation in Young Catholics

CMSM Pre-Assembly Workshop | July 31, 2018 | St. Louis, MO

New research from St. Mary's Press and CARA offers surprising - and sometimes disturbing - new insights into why young Catholics are leaving the Church - and when they start thinking about it.

This engaging workshop will weave their voices into the discussion, causing us to rethink our assumptions about their reasons - and challenging you to consider what this means for your ministry.

What do young people value? How do family dynamics, secularization and the role of personal morals vs. organized religion play into their decisions? And, how will your community respond?

This workshop - and the National Assembly that will follow - is for superiors and youth, young adult and vocation ministry teams.

*Workshop presenters:
Elizabeth Drescher, Ph.D., Bob McCarty, D.Min., and Josh Packard, Ph.D.*
