Cross Catholic Outreach

Cross Catholic Outreach, a 501(c)(3), is an official Catholic ministry that partners with bishops, priests, religious and lay workers to provide food, water, housing, education, orphan support, medical care, microenterprise and disaster relief — and the love of our Lord Jesus Christ — to the poorest of the poor in more than 30 countries around the world. We collaborate with aid partners that employ a community-oriented aid strategy and that strive to increase the self-sufficiency of the poor. For larger, advanced partners, we provide financial and material resources as well as handle the vital functions of financial monitoring, reporting and accountability. Our partners, in turn, provide the all-important grassroots connection to the community, which is absolutely vital to the provision of humanitarian aid.

For smaller-scale partners, such as needy, church-based ministries, we provide support through their existing programs. In this way, we can supply meaningful help where it is needed most, as they have the necessary community outreach to serve the poor.

In everything we do, we remain focused on the Lord, serving with humility, fervor and love, and we advance Catholic evangelization. We work in partnership with church-based ministries and other faith-based organizations, creating an ideal synergy for the greatest impact.
